Press Release

Simply Mail Solutions Doubles mailbox size!

SMS MS Exchange Mailboxes now a massive 2GB of storage for only £4.99 per month

Warrington, UK, Tuesday 8th September 2009. Simply Mail Solution has announced that the mailbox size for MS Exchange has been increased to 2GB with monthly charges remaining the same.

Commented Colin Smith, Managing Director of SMS: "With storage and attachment sizes consistently growing at a rate of 35% per year we have decided that it is time to provide our customers with more space. We have therefore increased our standard storage size to 2GB. For users who need even more than that we now offer our Executive package providing unlimited email storage*".

Colin Smith further commented: "From today all MSE mailboxes will be upgraded to 2GB of storage. Existing customers with MS Exchange Executive mailboxes, which were 2GB will have mailbox limits* removed shortly. All new customers will obviously have the new storage sizes applied to their mailboxes immediately".

Especially for small and medium sized enterprises hosted MS Exchange email services are extremely cost-effective and with the increased storage size from Simply Mail Solutions it will help businesses to keep the costs for their email solutions as low as possible. MSE is the leading paid for email and collaboration suite providing calendars, tasks and contacts with sharing of information between colleagues in a business leading to greatly increased productivity. Storage space is a major factor in the decision new users make between different paid for email hosting companies.
