## **SMS Offers its Range of Advanced Web Hosting Services to Resellers**

SMS now one stop shop for professional email *and* web hosting resellers

*Warrington Wednesday 3<sup>rd</sup> October 2007.* Simply Mail Solutions are recruiting resellers for its state of the art web hosting services. They range from advanced shared hosting through virtual servers to a range of managed web hosting services. They compliment the companies existing range of email hosting services.

Commented Colin Smith SMS Managing Director “By offering our web hosting products to resellers we make it possible for them to get really competitive and comprehensive web hosting from the UK’s top email hosting company. With email we offer a range of services complimented with things such as domains, advanced anti spam, software for mobile phones and automatic disclaimer addition. We are unique in the range of services offered and of course are extremely competitive.”

The web hosting products include:

**GenX**, the fully featured stand alone web hosting package allows control of the web hosting environment in a way not previously possible thanks to the Plesk control panel. Users can create web space and FTP space, add domains, set up mail accounts, databases, view statistics and much, much more....all backed up with SMS’s superb support and 99.9% uptime guarantee.

**FutureGen**, time to take control, time to get your own server. You’ve got the business ideas and you know its going to work, you don’t need old technology holding you back. Welcome to FutureGen, the server technology incorporating Virtuozzo that works with you and your business. Configure it the way you want - Web, FTP, ecommerce, mail, database - the possibilities are endless.

**UltraGen**, when your business is critical, you need a server and management system that understands and responds. Downtime is not an option, time is

precious, you need a fully managed always on solution with industry leading skills. Automatic back ups, latest software upgrades, fastest routing, 24/7 monitoring - are all "must haves" but you don't have the time to do it. So instead trust it to our expertise

All products are available online with instant setup!

Three programs are available to Resellers:

**Commission Program**

Commission resellers can sell all of our products for generous commissions – a percentage of the first year's revenues.

**Discount Program**

Our offer for hosting resellers. No start-up fees or minimum sales – just profits from day one, with generous discounts.

**Package Program**

For White label resellers. This program costs nothing to join and has no minimums – the reseller sets the prices for its customers.

The companies email hosting products are:

**SMS NexGen**, the future of POP3 email now!

**MS Exchange**, comprehensive email, great for mobiles.

**Zimbra Collaboration Suite**, email and a lot more.

**Simply Mail Solutions**

SMS is based in Warrington UK and already has many thousands of customer email accounts from all over the world running on its servers and has a rapidly growing web hosting user base.
