## **Simply Mail Solutions announces winner of its summer competition**

**SMS has chosen the winner of the summer photo competition that has run on Facebook this year**

*Warrington, UK, Tuesday 12<sup>th</sup> October 2009.* Simply Mail Solution has announced the winner of the summer competition that asked members of the SMS Facebook group to post pictures of themselves or friends in an interesting place.

**Damian, 233m above the ground jumping off the Macau Tower**

Commented Colin Smith, Managing Director of SMS: “We had some very good entries and we found it difficult to choose but in the end Andrew won with his picture that showed his friend doing a bungee jump off the Macau Tower in China. With 233m above ground and about to free fall it was an original and indeed interesting place to be”.

The competition was free to anyone provided they were a member of the SMS group on Facebook. The group was created to provide everyone interested in hosted email solutions with a platform to communicate, exchange opinions and discuss recent developments in the industry.
